How to read. Rank is the legislator's 2021 rating rank among the 90 ranked legislators (1 = most conservative); Ch. rank is the rank within the chamber. Bands are the session-wide 2021 bands used on every 2021 rating report. Average rank is the mean overall rank of the ranked legislators listed; county rank orders the 23 counties by that average (1 = most conservative). A legislator whose district covers more than one county is listed under each county; "Also covers" names the other counties. **NR = not ranked, too few votes:** JD Williams (6 counted votes; served in the special session only). Minimum 110 counted votes (25% of the session maximum of 437). Not ranked or banded and left out of the average rank, band counts and county rank.

NR = not ranked: too few votes (under 110 of 437); excluded from ranks, bands, averages.
