2022 Legislator Ratings Alpha

House and Senate · 2022 session · alphabetical by last name

v1.0 · votes through 2022-03-15 · 90 legislators

How to read this report

Each legislator is ranked by how conservatively he or she voted on the roll calls of the session, scored with the WyoVote Bill Rating Guide. Rank 1 is the most conservative. Every row shows two ranks: the **overall rank** among all 90 ranked legislators of both chambers, and the **chamber rank** (House 1–60, Senate 1–30). Within each chamber section the legislators are listed alphabetically by last name.

The bands group legislators who voted most alike this session, split at the natural breaks in the ranking, so band sizes can differ; legislators with the same result share a band. The same session-wide bands apply on every page. Votes = counted Aye and Nay votes; excused, absent and conflict votes are not counted.

Minimum-vote rule: a legislator needs at least 25% of the counted votes of the legislator with the most votes (416, so at least 104) to be ranked and banded. No legislator fell below it this session. Bands and ranks use the ranked legislators only.
