How to read. Rank is the legislator's 2025 rating rank among the 92 ranked legislators (1 = most conservative); Ch. rank is the rank within the chamber. Bands are the session-wide 2025 bands used on every 2025 rating report. Average rank is the mean overall rank of the ranked members; committee rank orders the 33 committees of 2025 by that average (1 = most conservative). J.R. Riggins is not ranked (too few votes, 2025 minimum-vote rule); none on this committee.

Ranks exclude 1 legislator with too few votes (under 132 of 527 counted votes).
