How to read. Rank is the legislator's 2025 rating rank among the 92 ranked legislators (1 = most conservative); Ch. rank is the rank within the chamber. Bands are the session-wide 2025 bands used on every 2025 rating report. Average rank is the mean overall rank of the ranked legislators listed; county rank orders the 23 counties by that average (1 = most conservative). A legislator whose district covers more than one county is listed under each county; "Also covers" names the other counties. **NR = not ranked, too few votes:** J.R. Riggins (106 counted votes; absent part of the session (excused Jan 20 to Mar 3)). Minimum 132 counted votes (25% of the session maximum of 527). Not ranked or banded and left out of the average rank, band counts and county rank.

NR = not ranked: too few votes (under 132 of 527); excluded from ranks, bands, averages.
