How to read. Rank is the legislator's 2025 rating rank among the 92 ranked legislators (1 = most conservative); Ch. rank is the rank within the chamber. Bands are the session-wide 2025 bands used on every 2025 rating report. Average rank is the mean overall rank of the ranked legislators listed; county rank orders the 23 counties by that average (1 = most conservative). A legislator whose district covers more than one county is listed under each county; "Also covers" names the other counties. J.R. Riggins is not ranked (too few votes, 2025 minimum-vote rule); none in this county.

Ranks exclude 1 legislator with too few votes (under 132 of 527 counted votes).
